

L IX – Home Page

Welcome to L IX. This is the home page. It is where you may either log in to your account by entering your user name and password or simply click go to enter as a visitor. The Home Page also includes links to more information about the company & our terms of use. Most importantly, a link to our Sign-Up page is provided right below the GO button of our visitor's entrance. As an account holder you may create & edit presentations 24hrs per day – 7 days a week and also communicate with other users whom have created presentations, through our internal mail system. Our site provides a very classy presentation platform which allows you to present or search presentations with video, slideshow, voice-over, audio, text, links and more all on one page.

L IX – Visitor Search Page

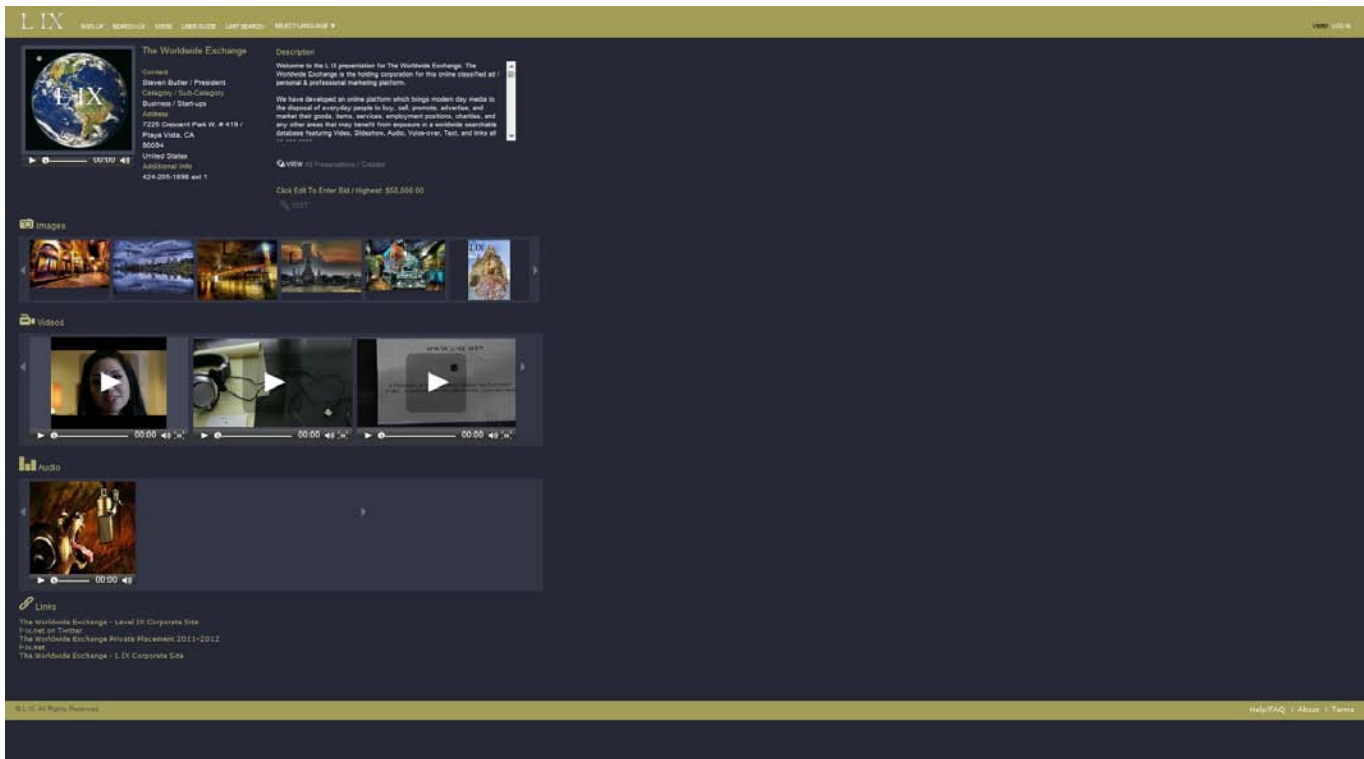

The visitor search page provides account holders and visitors a simple integrated box to search for presentations of interest. We have two platforms of presentations to view and create. A General presentation which contains all the features mentioned: video, slideshow, text, voice-over, audio, links and more all on one page. The Personals presentation has the exact same features, but provides the poster and the viewer access to more personal details as in gender, eye color, hair color, height, weight, intentions, and mood. It is a very useful tool for many things that require more personal knowledge and description. In addition to being able to search under categories and sub-categories, you may search by time, day, date, and duration. Plus, city, state, country, and zip code. We have also provided a keyword search; which comes in handy if you know the presentation title or the general idea of what you are looking for more than a specific category or sub-category. A personals search specifically allows you to include those personal identifiers in the criteria of your search.

L IX – Search Results Page

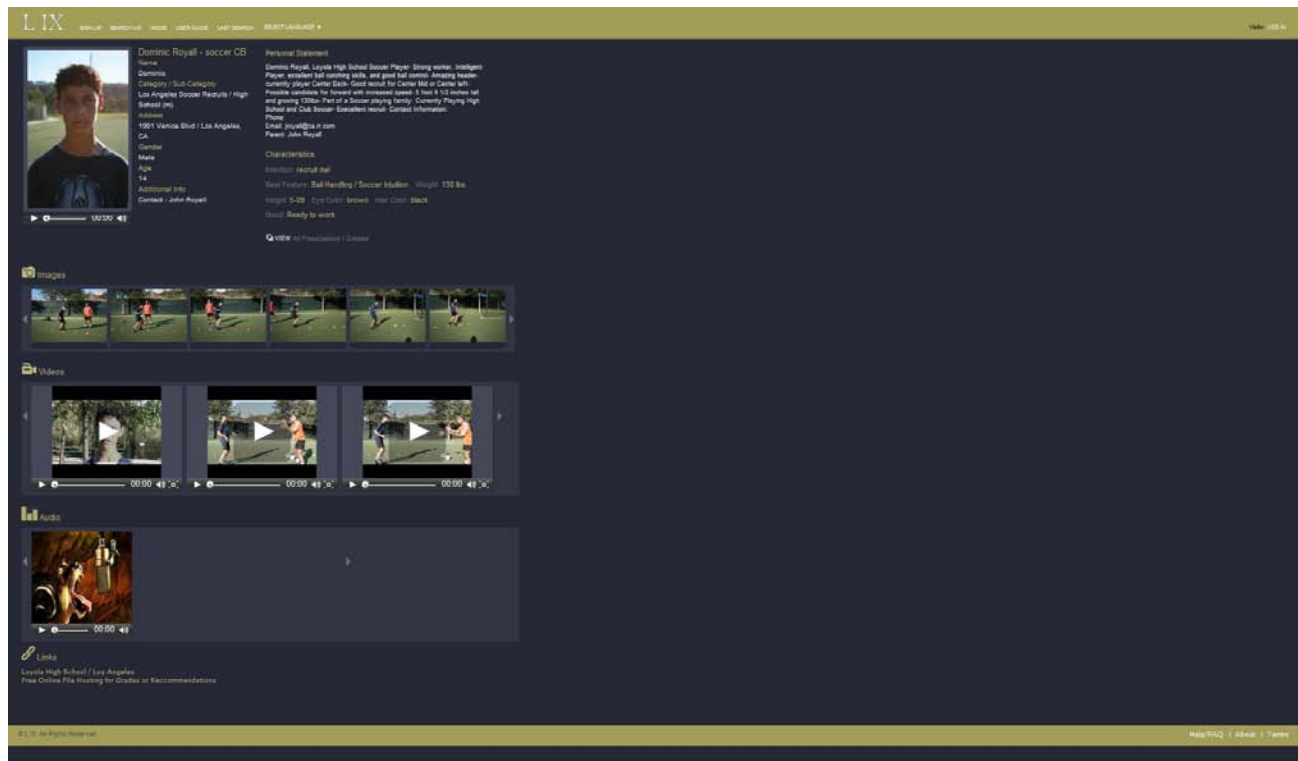

The L IX Search Results Page displays an active link box which shows the main profile picture for that presentation, the title of that presentation, and a portion of the description written by the poster in that presentation. You may view that presentation page simply by clicking on either the photo or the title /description area of the results box.

Note: sometimes a results box will have the main profile picture covered with an image of a flowerless tree and snow. This indicates that the user has determined that the content needs to be filtered and anyone viewing should at least declare age and permission to view. That is simply done by clicking on ‘Mode’ on the top action bar and agreeing to a one paragraph disclosure. Once done all filtered presentations will be able to be viewed and accessed either by clicking on the box or clicking on the box and entering a password. Our presentations come with the **option of filtering** and adding a **personal presentation password** for access.

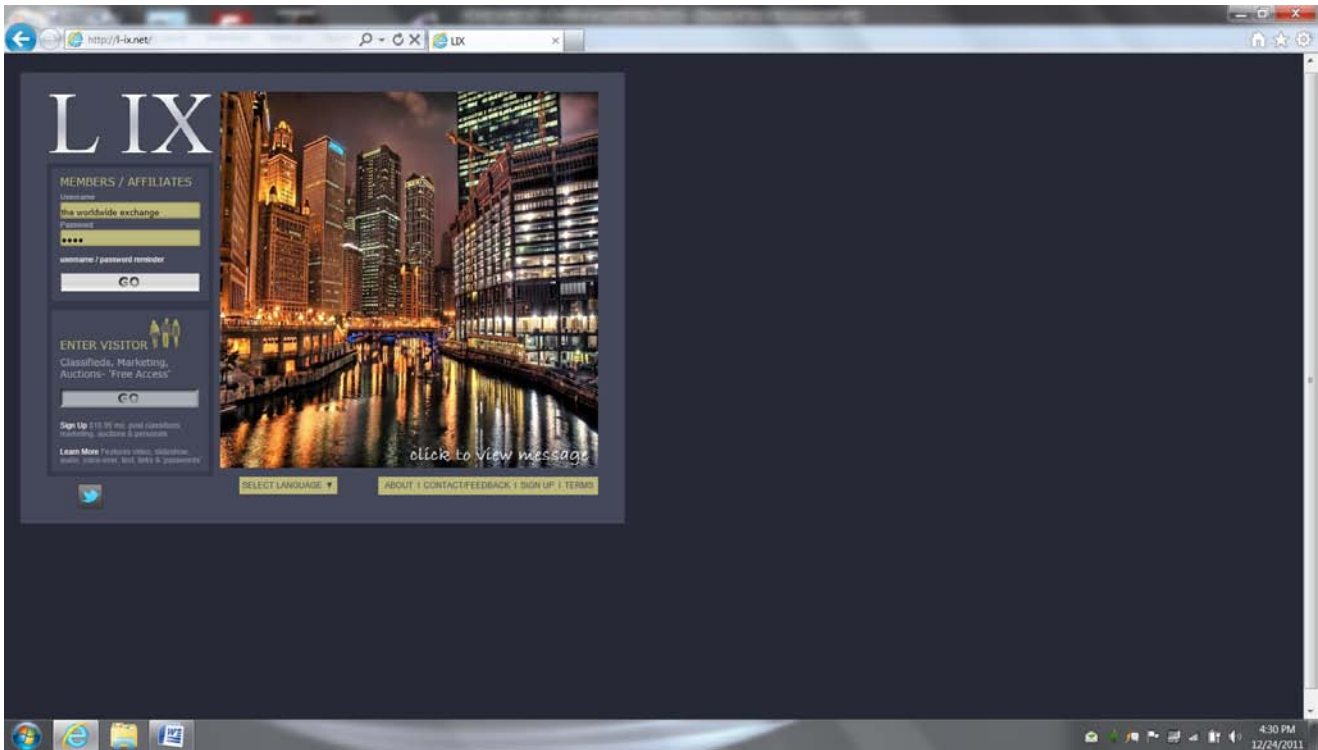

L IX – General Presentation Page

The L IX General Presentations Page is what is displayed and what has been created with the media, descriptions, voice, links, audio, and information of the presentation creator. This is where the magic of your creation takes hold of the viewer and hopefully motivates them to act favorable for the intentions of both of you. Top left is your main profile photo, below that is an audio player for music or voice files. Presentation title, contact person, and contact information is immediately to the right of that and more over right is where the text of your presentation is displayed. There is a link below that which says “view all presentations I’ve created”; which allows for effective cross-sell. Then you have your still image gallery, which by clicking on a single image will display an enlarged single window view of the slideshow gallery. The presentation is finished off with your video gallery, audio gallery and links at the bottom of the page.

L IX – Personal Presentation Page

The L IX Personal Presentation Page provides all the same features and benefits of the General Presentation Page but includes personal identifiers like eye color, hair color, height, weight, mood, intention, and best feature. We believe this is a perfect dating platform, a perfect job platform, a perfect school applicant platform or a perfect platform for an athletic recruit who would like to simply copy and paste a link to their L IX Personals Page in an email and send it to a college or pro sports coach, team or recruiter. It provides the receiving individual with a single page review model that can be pulled up when they want to, on a smart phone, computer, or big screen, but with your voice, your pictures, videos of your performances and recommendations ,plus your written presentation. Once those things peek their interest you can have links at the bottom of the page to documents or institutions that will provide the additional and more in depth information that would be requested from a promising recruit, **“All on one Page”**.

L IX – Member Sign In

The L IX Member Sign In is accomplished simply by providing the Username and Password you designated during the sign-up process. Usernames do not have to be one word. However, you must enter it as you entered it during the sign-up process. So, enter your username and password, hit GO and have fun.

L IX – Account Manager

The L IX Account Manager is where you take control. All your personal data, your ability to pay for service, to upgrade service, to edit your account password and monitor your media storage capacity resides here. It is also where you edit all that information as well as read it. On the top action bar, when signed in, you have access to presentation review and creation, your mail box for send, receive, and review. You have access to a drop-down Search box, mode, user guide, last search and a language translator widget. Only you, us or someone you gave your account username and password can view this information. Credit card numbers are not displayed in the account manager and we only keep a profile of you that is matched with our transaction authorization company. **We do not store financial information.** An Account Manager button at the top will allow you to get back here with one click from anywhere in the site.

L IX – Member Presentation Library

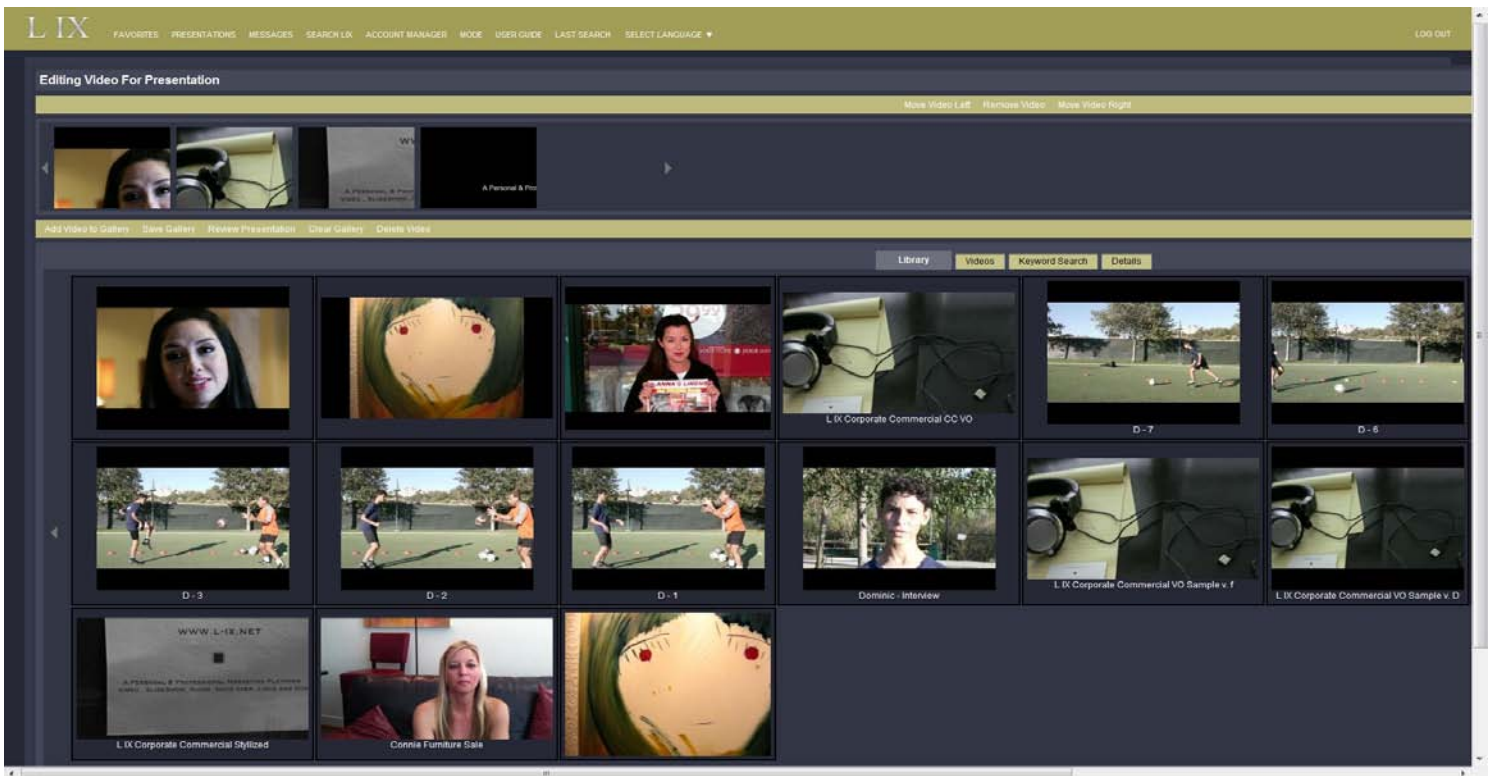

The L IX Account Presentation Library houses the presentations that you have created. By placing your cursor or on a mobile by clicking the presentation tab you may request to view your presentations. You will be directed to this page and may view any presentation simply by clicking on the photo or the area where your information is located. If you have presentations that are filtered, when you are signed in those presentations of yours will not be ‘filtered’ from you when accessing them thru your presentation library. You may ‘delete’ a presentation simply by clicking on the ‘gold X’ which is displayed on the results box.

L IX – Image Editor for Presentations

1. Sign into your account – from account manager choose view my presentations- click on the presentation that you want to edit.
2. Click on the edit button above the still image gallery in your presentation- to upload photos click on the ‘image’ tab-
3. You will be asked to allow a program if it’s your first time- click allow- then your own computer libraries will be revealed in the uploader- click on the folder that holds the images you wish to upload-
4. Click on the image or images or drag the images to the upload area and click upload which should be to the bottom right- you will see a progress bar and the image when uploaded will now be in your L IX Library.

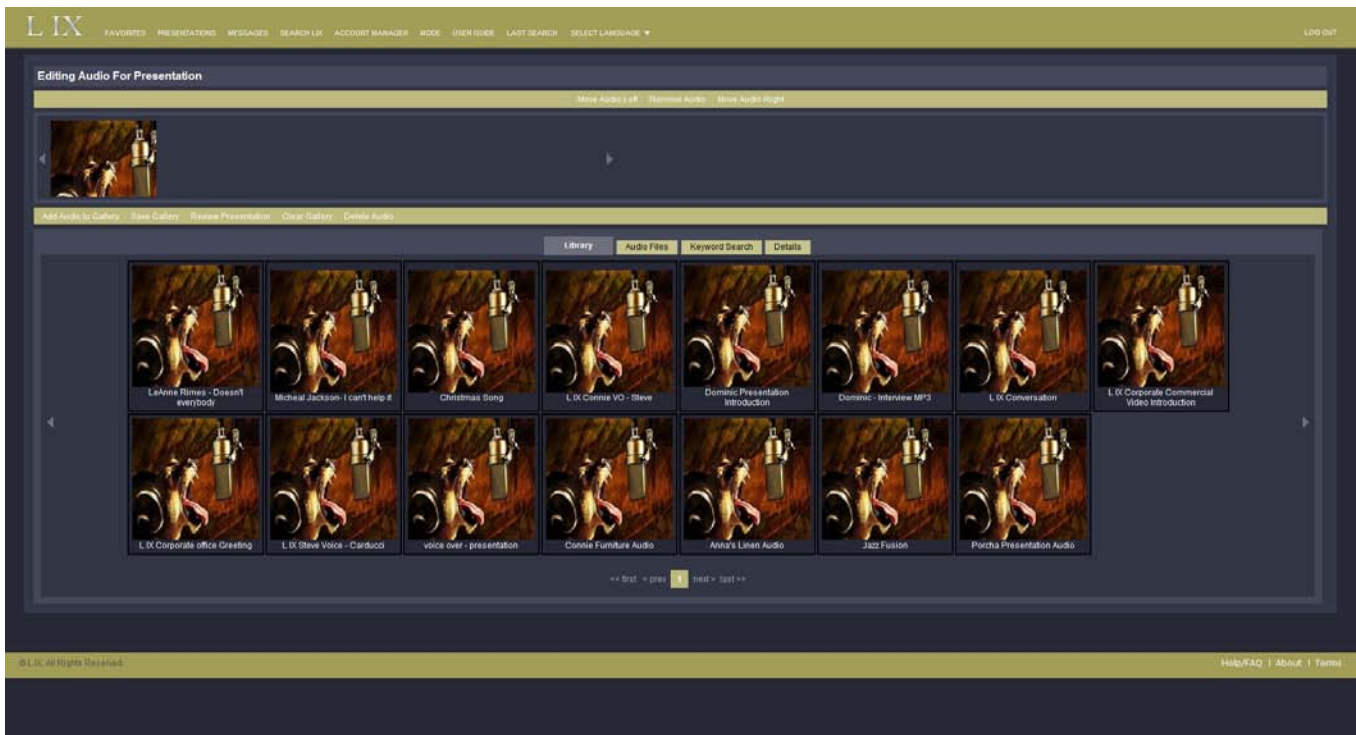

5. The top row of commands controls images that you have placed in the gallery – the next row of commands allows you to place images in the gallery and to save the gallery, which creates the gallery that will be viewed in the presentation itself.
6. The ‘review presentation button, does just that. Click review presentation and you will be taken into the presentation that you are currently editing- to go back into the ‘editor’ simply click the edit button again and you will be back in the ‘Still Image Gallery Editor’ to complete or rearrange your images.
7. Once an image is in the ‘Library’ you may place a title on the image by clicking on the image twice, it may disappear and then by clicking on the ‘Details’ tab, the image will appear there and then you may type in a title and tags, hit save and you will be redirected back to the image library and your image will now have the title or tag you typed.
8. The ‘delete image’ button deletes images from the library- you must select an image to delete and then click that button. You can delete only one image at a time.
9. The ‘Mobile Image’ tab is to upload images directly from a smart phone- currently is only works with the Iphone 3 and 4 G. However, our supplying for upload technology says that a later version will be available in the near future for droid and blackberry smart phones.
10. The only other button is the ‘Clear Gallery’ button which allows you a one touch solution to get a clean start at editing your gallery.

L IX – Video Editor for Presentations

1. Sign into your account – from account manager choose view my presentations- click on the presentation that you want to edit.
2. Click on the edit button above the video gallery in your presentation- to upload a video click on the ‘videos’ tab-
3. You will be asked to allow a program if it’s your first time- click allow- then your own computer libraries will be revealed in the uploader- click on the folder that holds the videos you wish to upload-
4. Click on the video or drag the video to the upload area and click upload which should be to the bottom right- you will see a progress bar and the video when uploaded will now be in your L IX Library processing. Once processing is complete you may edit gallery.

5. The top row of commands controls videos that you have placed in the gallery- the next row of commands allows you to place videos in the gallery and to save the gallery, which creates the gallery that will be viewed in the presentation itself.
6. The 'review presentation button, does just that. Click review presentation and you will be taken into the presentation that you are currently editing- to go back into the 'editor' simply click the edit button again and you will be back in the 'Video Gallery Editor' to complete or rearrange your videos.
7. Once an video is in the 'Library' you may place a title on the video by clicking on the video twice, it may disappear and then by clicking on the 'Details' tab, the video will appear there and then you may type in a title and tags, hit save and you will be redirected back to the video library and your video will now have the title or tag you typed.
8. The 'delete video' button deletes videos from the library- you must select a video to delete and then click that button. You can delete only one video at a time.
9. The 'Mobile Video' tab is to upload videos directly from a smart phone- That is not available currently. However, our supplier for upload technology says that a later version will be available soon that uploads videos directly. So transfer videos to your computer and upload using the editor from there.
10. The only other button is the 'Clear Gallery' button which allows you a one touch solution to get a clean start at editing your gallery. Tip: .avi video files upload the best and look the best

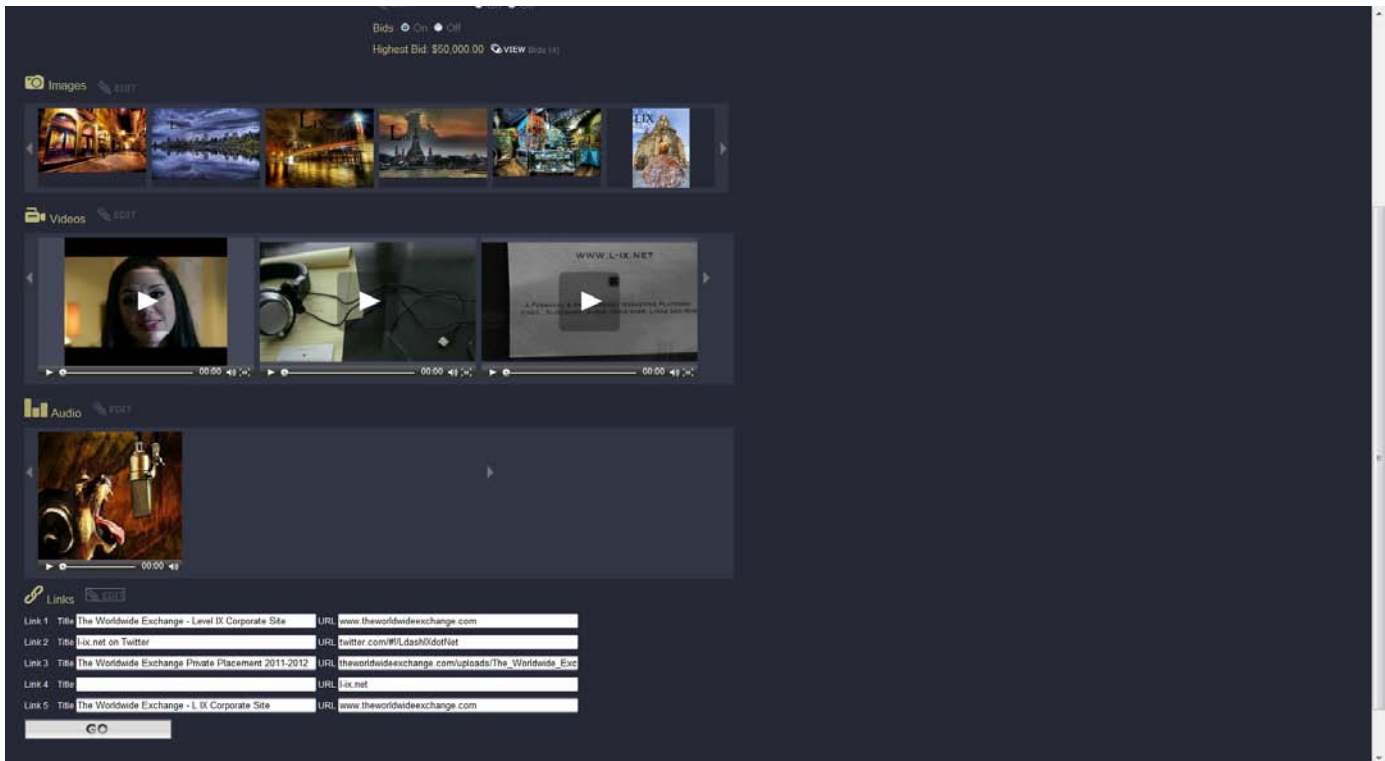

L IX – Audio Editor for Presentations

1. Sign into your account – from account manager choose view my presentations- click on the presentation that you want to edit.
2. Click on the edit button above the audio gallery in your presentation- to upload photos click on the ‘audio’ tab-
3. You will be asked to allow a program if it’s your first time- click allow- then your own computer libraries will be revealed in the uploader- click on the folder that holds the audio images you wish to upload-
4. Click on the audio file or files or drag the files to the upload area and click upload which should be to the bottom right- you will see a progress bar and the audio file when uploaded will now be in your L IX Library.
5. The top row of commands controls audio files that you have placed in the gallery- the next row of commands allows you to place audio

files in the gallery and to save the gallery, which creates the gallery that will be viewed in the presentation itself.

6. The 'review presentation button, does just that. Click review presentation and you will be taken into the presentation that you are currently editing- to go back into the 'editor' simply click the edit button again and you will be back in the 'Audio Gallery Editor' to complete or rearrange your audio files.
7. Once an audio file is in the 'Library' you may place a title on the file by clicking on the file twice, it may disappear and then by clicking on the 'Details' tab, the file will appear there and then you may type in a title and tags, hit save and you will be redirected back to the audio file library and your files will now have the title or tag you typed.
8. The 'delete audio' button deletes images from the library- you must select an audio file to delete and then click that button. You can delete only one audio file at a time.
9. The 'Mobile Audio' tab is to upload audio files directly from a smart phone- currently it only works with the Iphone 3 and 4 G. However, the supplier for upload technology says that a later version will be available in the near future for droid and blackberry smart phones.
10. The only other button is the 'Clear Gallery' button which allows you a one touch solution to get a clean start at editing your gallery.

L IX – Link Editor for Presentations

The Link editor is very simple – click the edit button and 5 open areas will appear. Either copy / paste the web address you want to link to or type in the web address you want to link to and hit GO.

If you want a Title like (Purchase Here!) to show instead of the link, simply write the desired title in the title area and it will display instead of the link web address.

The link will now appear on the presentation page and will be ready to direct users to the place on the web you want them to go.

Warning: only input the part of the web address that follows http://

The link has the hyper text pre-fix built in.

The screenshot displays the LIX user interface. At the top, there is a navigation bar with the LIX logo and several menu items: FAVORITES, PRESENTATIONS, MESSAGES, SEARCH LIX, ACCOUNT MANAGER, MODE, USER GUIDE, and SELECT LANGUAGE. A LOG OUT link is located in the top right corner. Below the navigation bar, the user's profile is shown for 'Worldwide Exchange'. On the left, there is a globe icon with the LIX logo overlaid. The main content area is divided into two columns. The left column contains 'Personal Information' with fields for Company Name (Worldwide Exchange), Company Type (Corporation), Company Title (President), Company Establishment Date (11/09/2007), First Name (Steven), Last Name (Butler), Address1 (7225 Crescent Park W), Address2 (419), City (Playa Vista), State (CA), Country (United States), Postal Code (90094), Email (theworldwideexchange@msn.com), and Phone ((424) 205-1898). The right column contains 'Account Information' with fields for Username (Worldwide Exchange), Password (*****), Secret Question (One word to describe you), and Secret Answer (LIX). Below this is 'Subscription Information' with fields for Billing Cycle (Monthly), Amount Paid (\$10.99), Created At (06/19/2011), and Next Billing Date (07/19/2011). At the bottom of the right column is 'Media Capacity' showing Capacity Remaining at 91% and 180MBs used of 2,048MBs. The footer contains copyright information for LIX and links for Help/FAQ, About, and Terms. A URL bar at the bottom shows the page address: http://lix-dev.endertech.net/presentationList/Worldwide+Exchange.

L IX – Presentation Tab

Once you are logged in as a user, you will have a number of action bars on the top of the page to assist you in accessing presentations. By scrolling your mouse over the presentation tab or clicking on it on your mobile smart phone a list of choices will appear. The first choice is ‘view my presentations’. By clicking that, you will be directed to your presentation library. You may then choose a presentation to view or edit.

The second choice is to ‘create a new Personal presentation’. By clicking this button you will be taken to a template to create a presentation with all the additional personal identifiers.

The third choice is to ‘create a new General presentation’. By clicking this button you will be taken to a template to create a presentation with the L IX traditional media and text options, which are video, slideshow, text, audio, links and more.

The screenshot shows the LIX user interface. At the top, there is a navigation bar with 'LIX' on the left and 'LOG OUT' on the right. Below the navigation bar, the page title is 'The Worldwide Exchange'. The main content area is divided into several sections, each with an 'EDIT' link:

- Personal Information:** Company Name: The Worldwide Exchange, Company Type: Corporation, Company Title: President, Company Identification Number: 01092007, First Name: Steven, Last Name: Butler, Address 1: 7225 Crescent Park W, Address 2: 419, City: Playa Vista, State: CA, Country: United States, Postal Code: 90094, Email: theworldwideexchange@msn.com, Phone: (424) 205-1898 ext1.
- Account Information:** Username: The Worldwide Exchange, Password: *****, Secret Question: One word to describe you, Secret Answer: juxaposition.
- Subscription Information:** Billing Cycle: Monthly, Amount Paid: \$10.99, Created At: 11/20/2011, Next Billing Date: 12/20/2011.
- Billing Information:** Card Number: XXXXXXXXXX5596, Card Expiration: 05/2013.
- Media Capacity:** Capacity Remaining: 58%, 867MBs used of 2.048MBs.

At the bottom of the page, there is a footer with '© LIX. All Rights Reserved.' on the left and 'Help/FAQ | About | Terms' on the right. A URL bar at the bottom left shows 'http://l-ix.net/message/inbox'.

L IX – Message Tab

When logged in as a user you will be exposed to a ‘Message tab’. When you roll your cursor over this tab or click on it from your mobile smart phone, you will have the option to check your message In box, Sent box, or to send a message.

In order to send a message to someone who has not sent a message to you, pull up the presentation page that you have an interest in and then hit the ‘send message’ button. You may also respond to a message sent to you from your ‘In Box’.

The screenshot displays the LIX website interface. At the top, there is a navigation bar with links for FAVORITES, PRESENTATIONS, MESSAGES, SEARCH LIX, ACCOUNT MANAGER, WELCOME, USER GUIDE, LAST SEARCH, and SELECT LANGUAGE. The main content area is titled "The Worldwide Exchange" and features a globe icon. Below this, there are three columns of user information, each with an "EDIT" link:

- Personal Information:** Company Name: The Worldwide Exchange, Company Type: Corporation, Company Title: President, Company Establishment Date: 01/09/2007, First Name: Steven, Last Name: Butler, Address 1: 7225 Crescent Park W, Address 2: 419, City: Playa Vista, State: CA, Country: United States, Postal Code: 90094, Email: steven@worldwideexchange@mon.com, Phone: (424) 235-1898 ext1.
- Account Information:** Username: The Worldwide Exchange, Password: [REDACTED], Secret Question: One word to describe you, Secret Answer: Juniposition.
- Subscription Information:** Billing Cycle: Monthly, Amount Paid: \$10.99, Created At: 11/30/2011, Next Billing Date: 12/30/2011.
- Billing Information:** Card Number: XXXXXXXXX5588, Card Expiration: 06/2013.
- Media Capacity:** Capacity Remaining: 58%, 867MBs used of 2,048MBs.

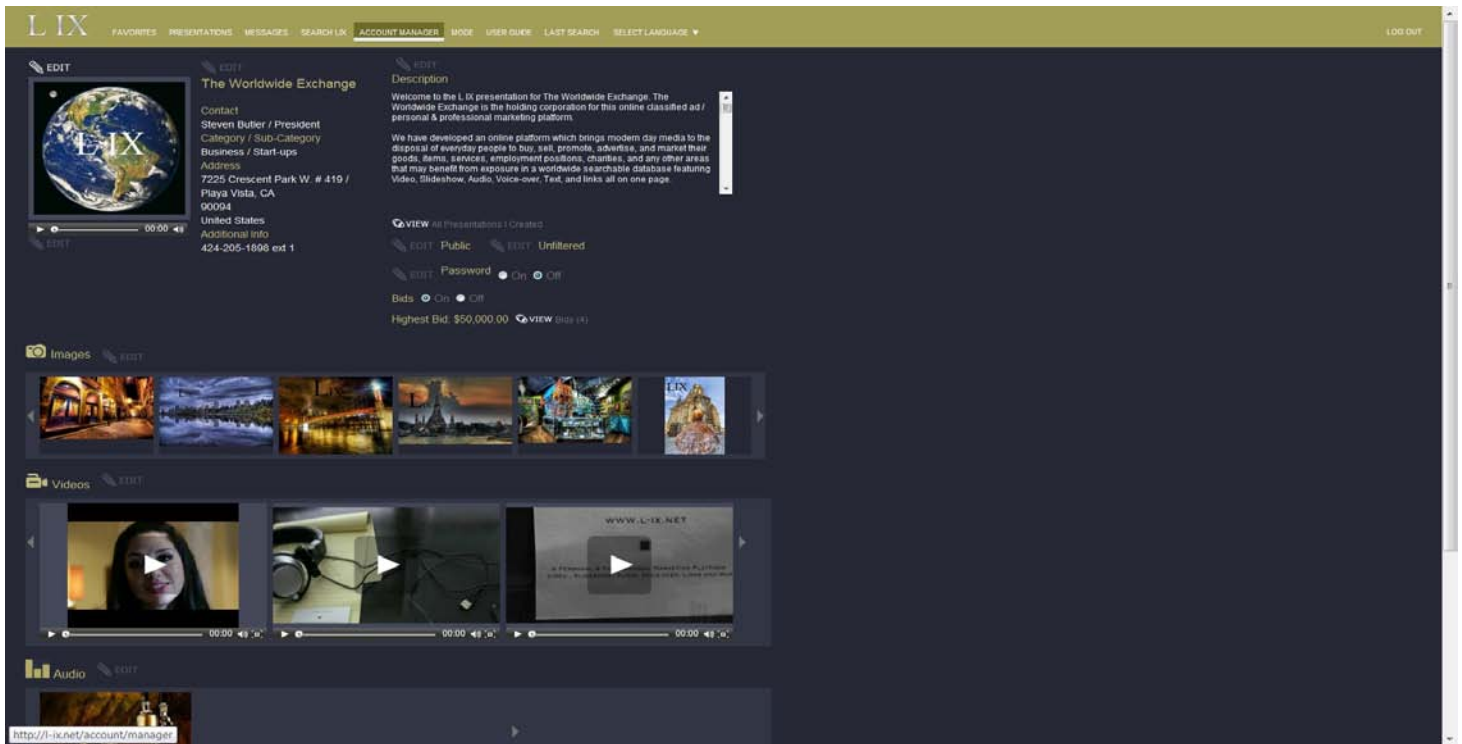

On the right side, there is a "SEARCH LIX COMMUNITY" form with various filters:

- Beginning date and Ending date (calendar icons).
- Beginning time (PST) and Ending time (PST) (Hour, Minute, AM/PM dropdowns).
- General Presentations and Personal Presentations tabs.
- Search keywords and Any time dropdown.
- Select category and Select sub-category dropdowns.
- Locations World Wide: Selected country dropdown and Enter city or region input.
- Locations US: Select state dropdown or zip code input (290 miles).
- GO button.

At the bottom of the page, there is a footer with "© LIX. All Rights Reserved." on the left and "Help/FAQ | About | Terms" on the right.

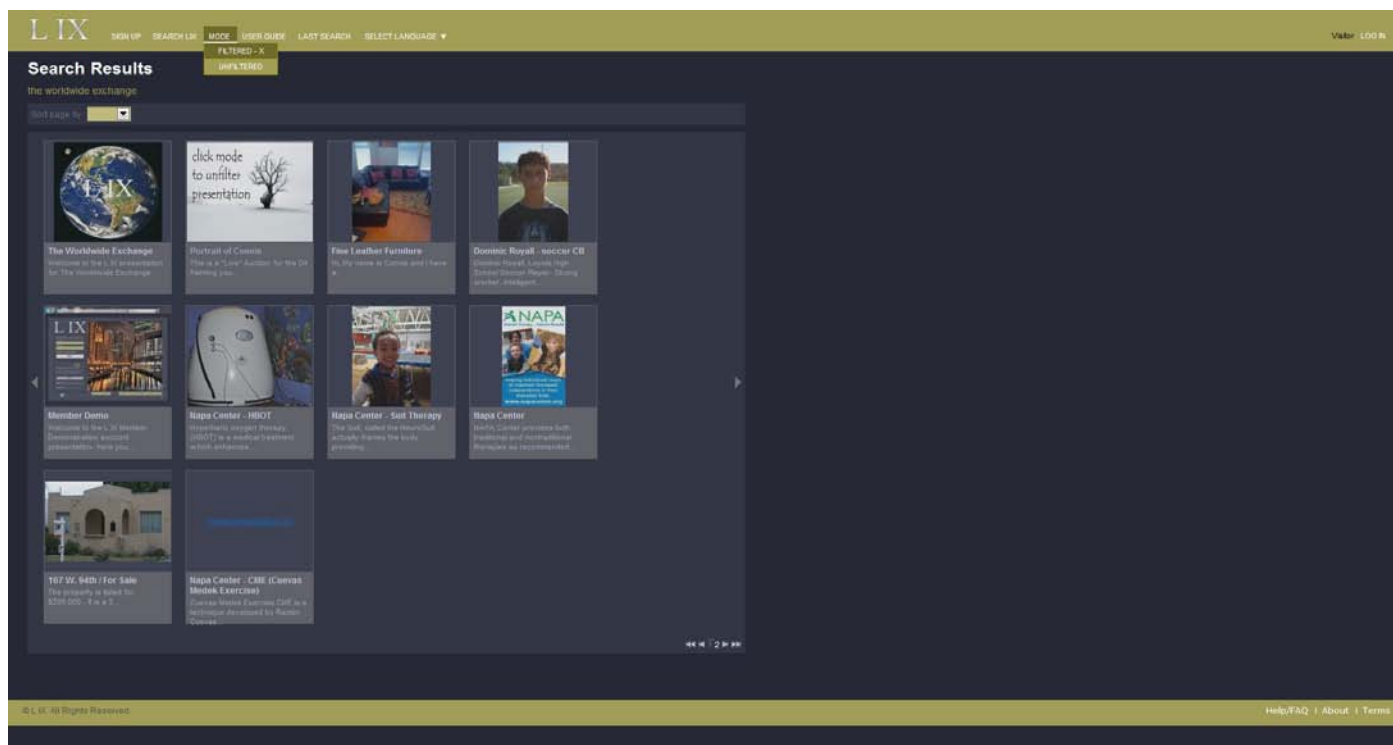

L IX – Drop / Down Search Box

If you are signed in as a user or pass the visitor landing page, you will have access to a drop-down search box. Simply by clicking the ‘Search Tab’ on the top action bar; you may place your cursor on the search box and move it to any position on the screen. This allows you to keep your place and make a search at the same time.

L IX – Account Manager Tab

When you are signed in as a user, you will have access to the ‘Account Manager Tab’. This button allows you to get to your Account Manager from anywhere in the site, removing the need to hit the back button to move back to this starting point and central information and control point for the logged in user.

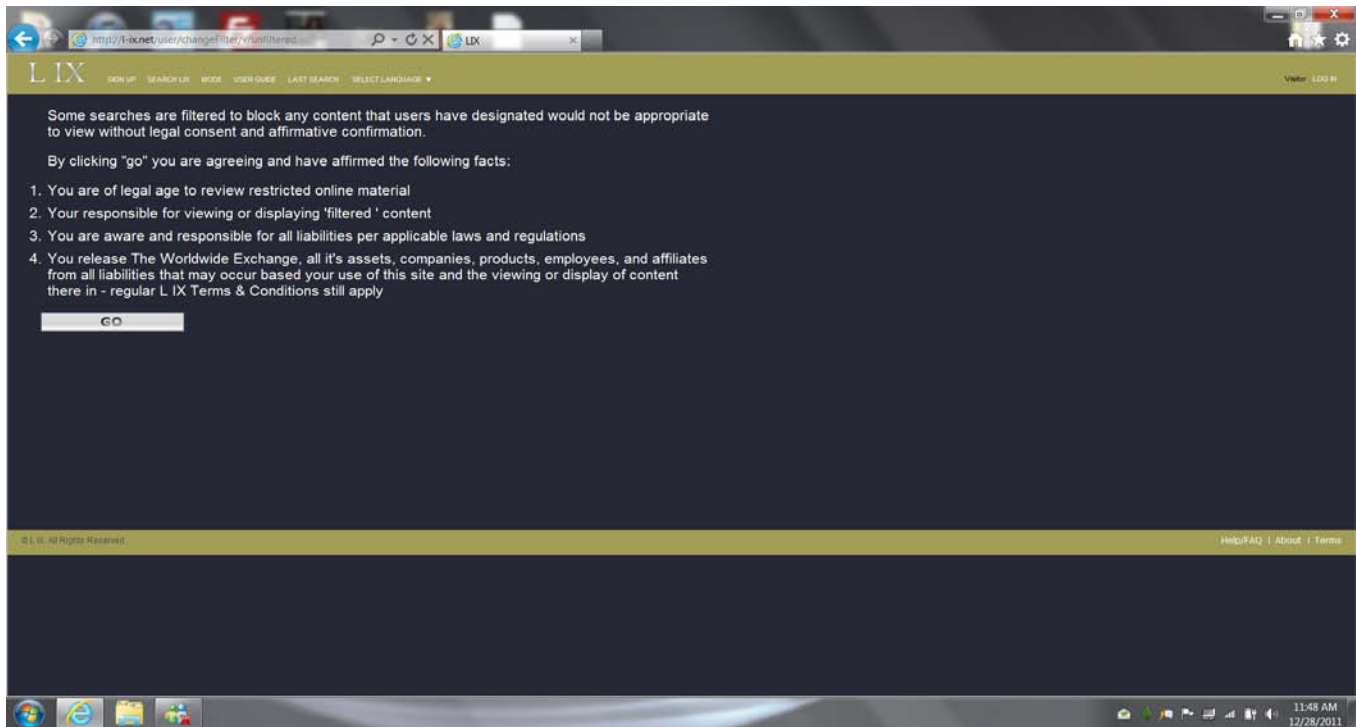

L IX – Mode Tab

In an effort to reduce the need for company censorship, we ask the user to make a determination as to the appropriateness of the media, pictures, theme, and tone of the presentations that they create and make public.

We have enabled the ability to ‘filter’ your presentation. It is as simple as clicking one button on the presentation when logged in as a user.

For visitors and other users to view this presentation, they simply click ‘mode’ either in their Account Manager or on the action line and they will have the option to agree to a disclosure of age and agreement to viewing material that may be only appropriate for a person of age maturity; who is willing to accept the responsibilities of viewing whatever material the user has made available. Upon agreeing; the search will be returned to the prior results with the filter removed from the ‘filtered’ presentations. The filters prevent a view of the main profile picture and entry to the presentation itself.

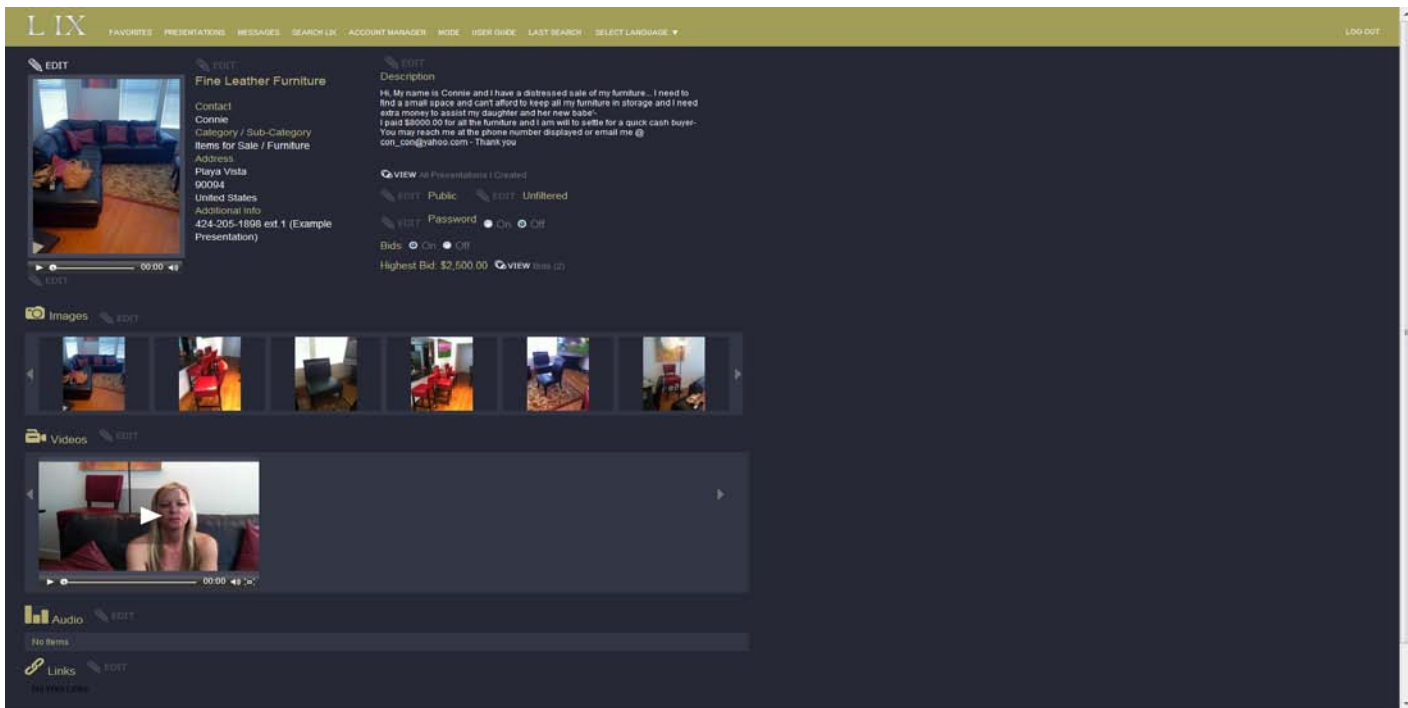

L IX – Liability Release Page to Access Filtered Presentations

This is the disclosure you must agree to when requesting the ability to view filter presentations.

L IX – Presentation Password Page

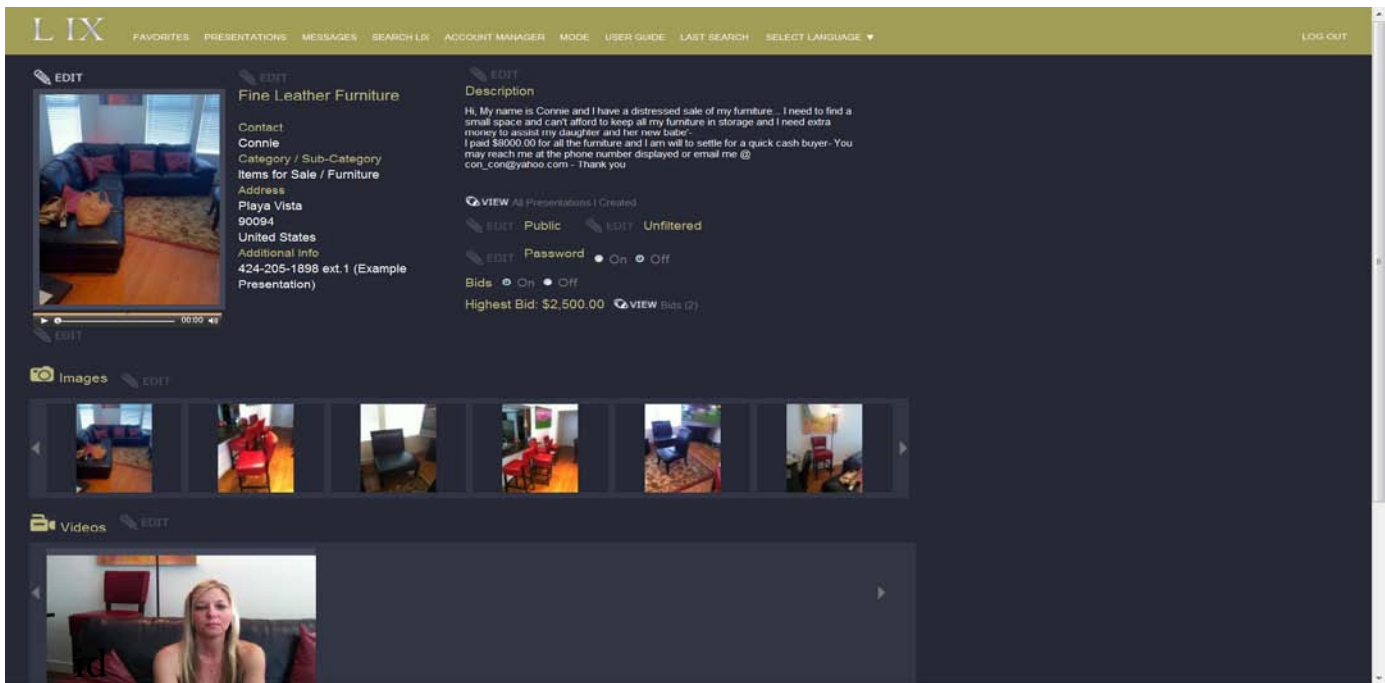

In addition to a filter, each presentation has the ability to create a ‘Presentation Password’. This is what you will see and where you will enter the password to be allowed to view a presentation with a password that is activated. Once entering the password, the presentation page that you have requested to view will be displayed.

Public/Private Option – Each presentation has the option to be public or private. When ‘public’ the presentation is viewable from a search by a user. When ‘private’ the presentation may only be viewed in the users’ presentation library when logged in. All presentations are in the **‘Private’ mode by default. Once you create your presentation, you must make it public to be viewed by other users.** Just click the edit button next to private or public to change it.

Filter/ Unfiltered Option – Again, we ask all users to make a determination about the presentation they create and choose whether they feel they would be a reason that someone under age, or not open-minded, or not an intended user would be better served to be able to affirmatively agree to seeing the created presentation. If determined that material should be filtered, just click the edit button next to ‘unfiltered’ and that option will be enabled.

Password Option – You may give a presentation its’ own password. Click edit next to the password, enter your password hit GO- and click and put a dot in the “on” option. If you forget the password, sign-in, hit edit, enter a new password and hit go. Done.

' Bid ' Feature Option - Turn your presentation into an "Auction" instantly with "one" click of a button. On each presentation, there is an option button that allows the logged in user to 'activate' an 'ON PAGE' Bid Form / and Auction Indicator-

If the **Bid Feature** is activated, a visitor will see an **"Edit"** button and an indication that says - 'Click Edit to make a Bid"; plus the **'Highest'** offer for your goods, items, or services is listed with a (/) right next to the indication to click edit to make a bid.

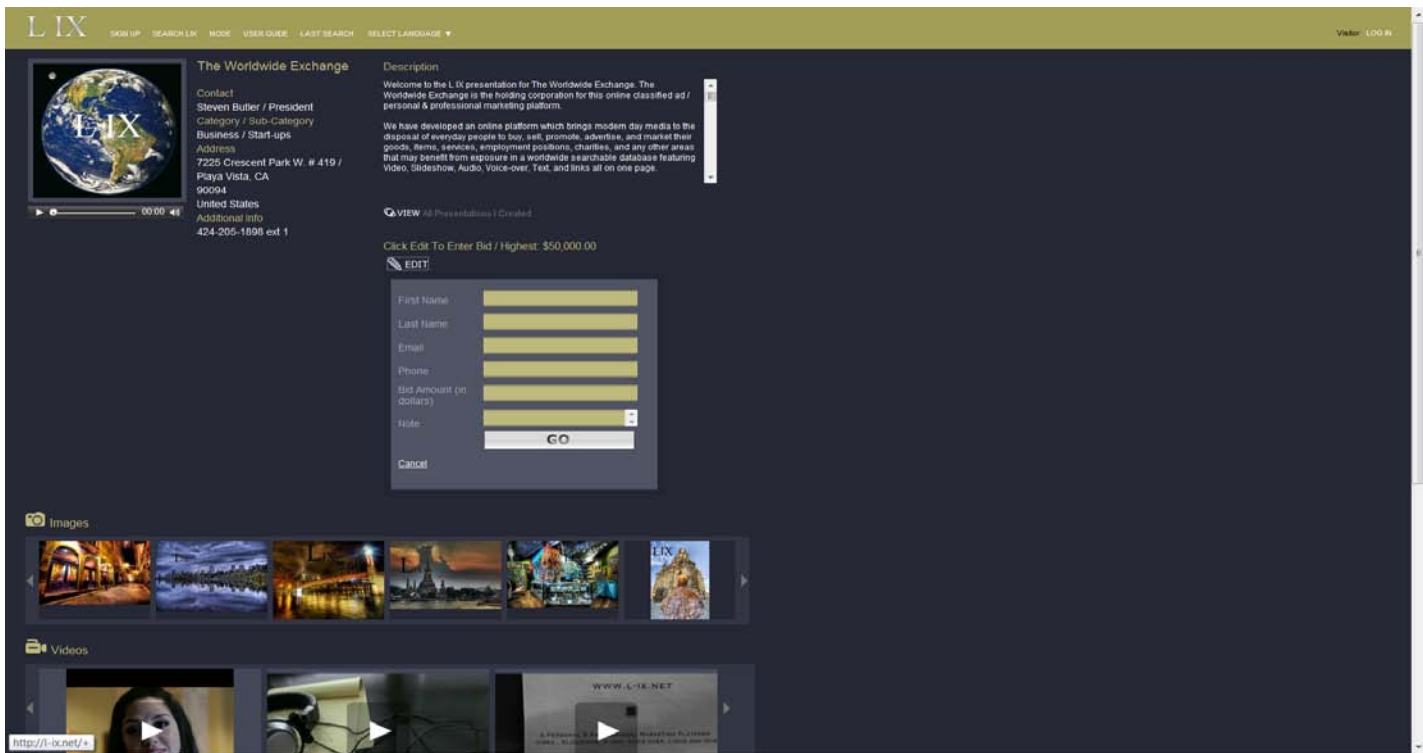

There is no extra fees, no closing or set-up fees, no up sell fees for the media that is included with every presentation- You have an instant virtual Ebay auction for all your presentations in your account for the simple fee of \$10.99 per month. Each bid is recorded on a

'Bid' presentation detail list - Highest to Lowest -

accessible when signed into the presentation by clicking on "view bids"

Any 'New Bid' is immediately sent to your email of record - accessible from your smart phone, computer, laptop, tablet, or Ipad-

We do not participate in the 'transactions' -

L IX - On Presentation 'Bid' Form

With video, audio, slideshow, voice-over, text, links and more selling your goods, items, and services - this 'Bid' Form; with the Highest bid showing, entices your visitors to "bid" up the price of your offering and allows you to get a '**premium**' price.

The '**Bid**' form allows the bidder to enter: **First Name, Last Name, Phone, Email Contact, The 'Bid' amount in Dollars, and a 120 character note for any additional information-**

The 'Bidder' just hits GO! after entering information and the bid is recorded on the presentation '**Bid List**' details page of the presentation and the **Member** is **Immediately** notified.

L IX - 'Bids' Presentation List Detail Page

Once a "Bid" is accepted on the presentation, it is recorded on this detail list page with the Highest 'Bid' on the top and then listed in order down to the lowest.

The Member may also "**Delete**" any bid to manage the page(s) or to remove any bid that the member feels is not (real), not wanted, or not enough.

The contact email is a 'hot' link in on the detail page and allows the member to 'immediately' respond to the bidder with a message using the 'default' email on the system you use to access the site. (i.e.: smart phone, Ipad, laptop, desktop computer, internet t.v. etc.)

L IX - ' New Bid ' notification email

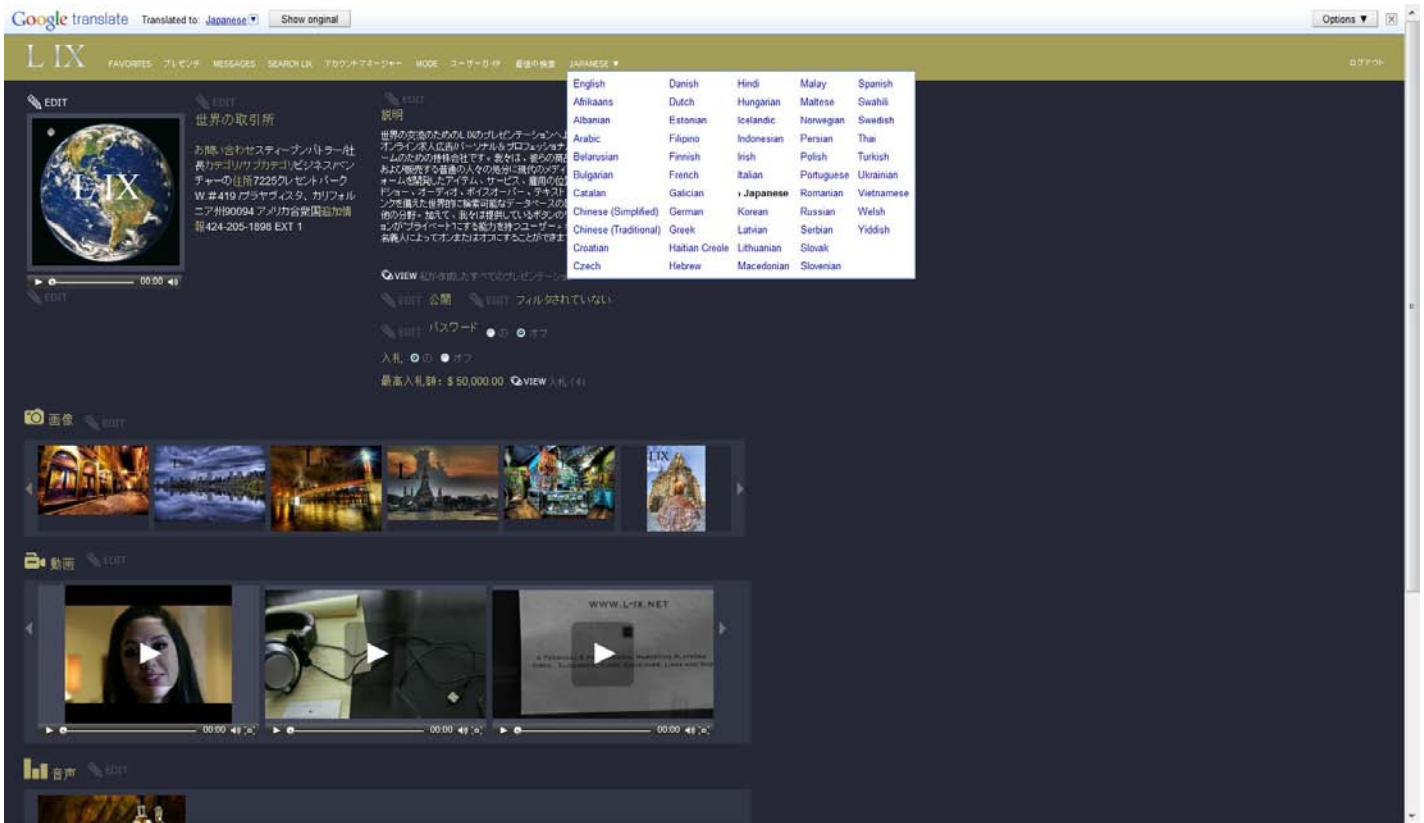

Upon the recording of a new bid on a presentation, the members email of 'record' is 'immediately' notified.

The presentation that the 'Bid' is on is identified. The name, email, phone, bid amount, and note are all included in the notification .

Go Ahead, start an "instant" Auction today -

Use all included video, audio, slideshow, voice-over, text, links and more to motivate bidders to pay you the highest premium available for your goods, items, and services.

Activate your "Password" privacy with the "Bid Feature" to create a "Private" Auction- copy & paste the web address of your presentation and email it to just the people you want to "bid" with the password- All others view your presentation in the search will be "unable" to enter or view it.

L IX – Language Translation System

We have added a Google widget that allows for our users to translate a page into 32 different languages by simply clicking on the **‘Select Language’** tab and then clicking on the **desired language**.

We believe this is useful for all our users, but especially for the those taking advantage of our wonderful media rich platform and "bid" feature to create an "Instant" worldwide auction presentation.

Terms and Conditions
1. ACCEPTANCE OF TERMS

LIX provides a collection of online resources as a personal and professional marketing platform, classified Ads, and various email services, (referred to hereafter as "The Service") subject to the following Terms of Use ("TOU"). By using the Service in any way, you are agreeing to comply with the TOU. In addition, when using LIX services, you agree to abide by any applicable posted guidelines for all the services, which may change from time to time. Should you object to any term or condition of the TOU, any guidelines, or any subsequent modifications thereto or become dissatisfied with LIX in any way, your only recourse is to immediately discontinue use of LIX. LIX, a product of The Worldwide Exchange has the right, but is not obligated, to strictly enforce the TOU through self-help, community moderation, active investigation, litigation and prosecution.

2. MODIFICATIONS TO THIS AGREEMENT

We reserve the right, at our sole discretion, to change, modify or otherwise change these terms and conditions at any time. Such modifications shall become effective immediately upon the posting thereof. You must review this agreement on a regular basis to keep yourself apprised of any changes. You can find the most recent version of the TOU at:

<http://www.L-IX.net/about/terms.of.use.html>

3. CONTENT

You understand that all postings, messages, text, files, images, photos, video, sounds, or other materials ("Content") posted on, transmitted through, or linked from the Service, are the sole responsibility of the person from whom such Content originated. More specifically, you are entirely responsible for each individual item ("Item") of Content that you post, email or otherwise make available via the Service. You understand that THE WORLDWIDE EXCHANGE as LIX does not control, and is not responsible for Content made available through the Service, and that by using the Service, you may be exposed to Content that is offensive, indecent, inaccurate, misleading, or otherwise objectionable. Furthermore, the LIX site and Content available through the Service may contain links to other websites, which are completely independent of THE WORLDWIDE EXCHANGE & LIX. THE WORLDWIDE EXCHANGE & LIX makes no representation or warranty as to the accuracy, completeness or authenticity of the information contained in any such site. Your linking to any other websites is at your own risk. You agree that you must evaluate, and bear all risks associated with, the use of any Content, that you may not rely on said Content, and that under no circumstances will THE WORLDWIDE EXCHANGE & LIX be liable in any way for any Content or for any loss or damage of any kind incurred as a result of the use of any Content posted, emailed or otherwise made available via the Service. L IX – Presentation Favorites Tab

When you are logged in as a user, you will have access to the ‘Favorites Tab’. This allows you to bookmark a presentation in your favorite library for easy access to view or review.

L IX – Still Image Gallery Single View Enlargement

Our Slideshow Imager may be enlarged for more detail viewing. Simply click on any photo in the slideshow and the enlarged single view slideshow will appear floating above the presentation—starting at the photo that you choose.

You may navigate left or right by clicking on the side navigation arrows. In addition, the enlarged viewer may be moved anywhere on the screen, by placing your cursor on the view until you see 4 (arrows), then move it where you want.

Click the (x) in the top right corner of the viewer to return back to the presentation normal view.

Tips:

If you need a file to upload videos from your other sites and can't find those files, we recommend WM Capture 5 as technology that can record that video and provide a file for upload for L IX.

http://www.wmrecorder.com/demo_wmcapture.php

-

<http://www.avs4you.com/AVS-Video-Converter.aspx>

here is a link to a free video converter AVS ver. 8 -

If you need to edit an audio file, we would suggest AVS Audio Editor and an Mp3 format.

<http://www.avs4you.com/AVS-Audio-Editor.aspx>

Voice- Over or Voice Audio-

<http://voicetraxwest.com/> - Professional Mp3 voice audio - \$1 per min.

or with Windows 7 – click start / enter record in search box – voice recorder shows up- mp3 files or Acc either work- or use phone memo recorder-

I Phone 4 - You can directly upload pictures to L IX with the I Phone 4

You cannot directly upload videos- however the video quality is excellent-

Uploading from an I phone:

Directly uploading of Images & videos from Apple products like the I Phone may be accomplished by going to the your **App Store** - search '**Aurigma UP**' - and **Download it...**

enable your locations services for the device-
the App is 'Free' - and then **sign into your account** and follow '**normal**' upload procedures-

Once you click on "upload images / videos"
the app will appear on your phone and ask if you want a new picture or one from your library-

Choose the images or video you want to upload-
and then hit "upload" - it may ask if you want to "**proceed**" after media is initially uploaded-
click "proceed" and you will be returned to your **L IX media library-**
